THE ARMOR OF GOD

free activities for preschoolers

EPHESIANS 6:10-11A

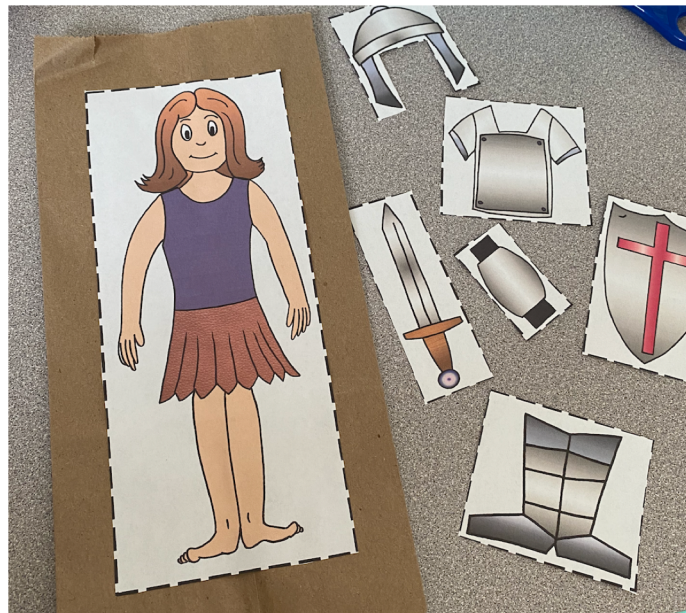

**"FINALLY, BE STRONG IN
THE LORD AND IN HIS
MIGHTY POWER. PUT ON
THE FULL ARMOR OF GOD."**

Sink or Swim? Experiment: You will need the two oranges and a clear bowl or Tupperware filled with water. Peel ONE of the oranges and place it in the bowl. Ask the students to observe what happens to the orange (it sinks to the bottom.) Tell the students that the represents someone who is NOT wearing their armor. When hard times come, they will sink. Put the other orange (not peeled) in the bowl and have the students observe. The orange will float on the surface of the water. Remind them that when we put on the Armor of God they will be able to stand (or float) through hard times. After the experiment have the students complete the activity page to remember what they've seen.

Dress Up in Armor: Cut out the boy/girl and glue it on a brown paper lunch bag. Cut out each part of the armor and have the students place it on the person where it belongs. When your students have finished, have them store the armor pieces in the brown paper bag. There are two options of this activity: one in color and one in black and white. Optional: attach Velcro dots to stick the pieces in the correct place.

SINK OR SWIM?

- When we put on the armor of God, we will float.
- If we don't put on the armor of God, we will sink.

Cut out the oranges and glue them in the bowl to match the experiment your teacher shows you:

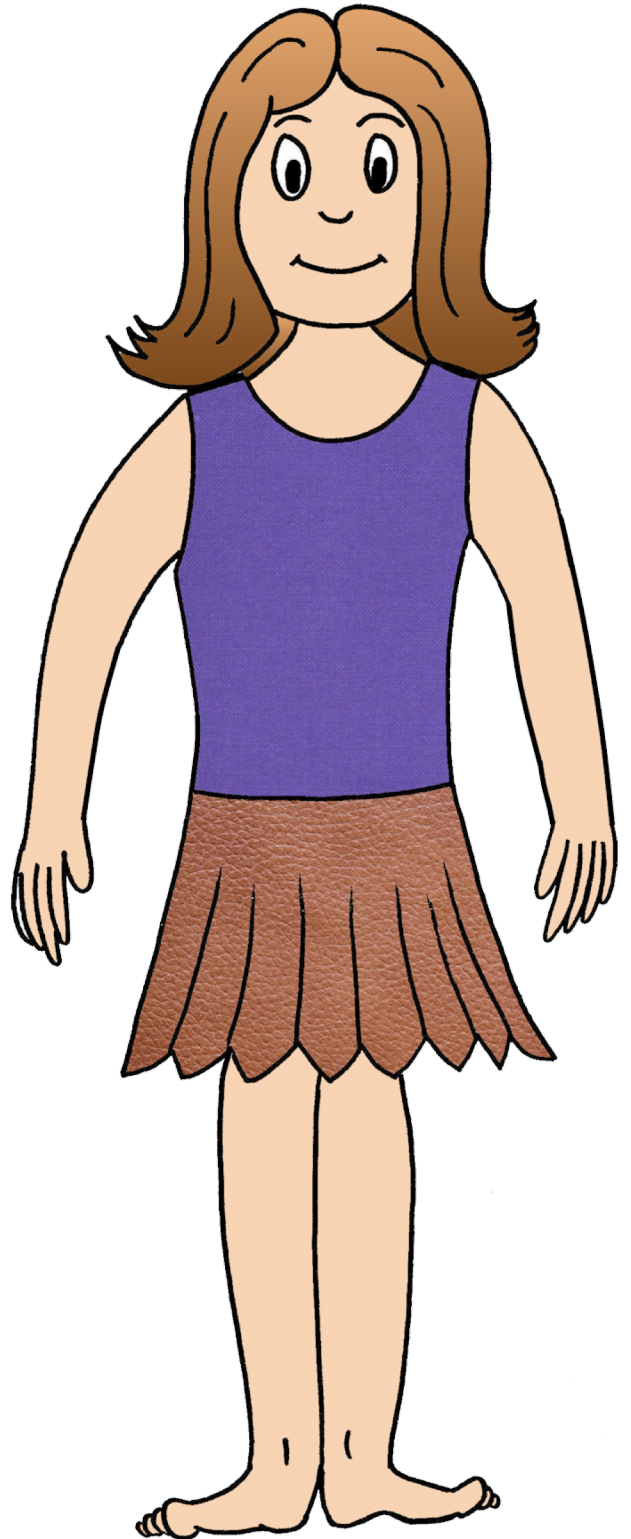

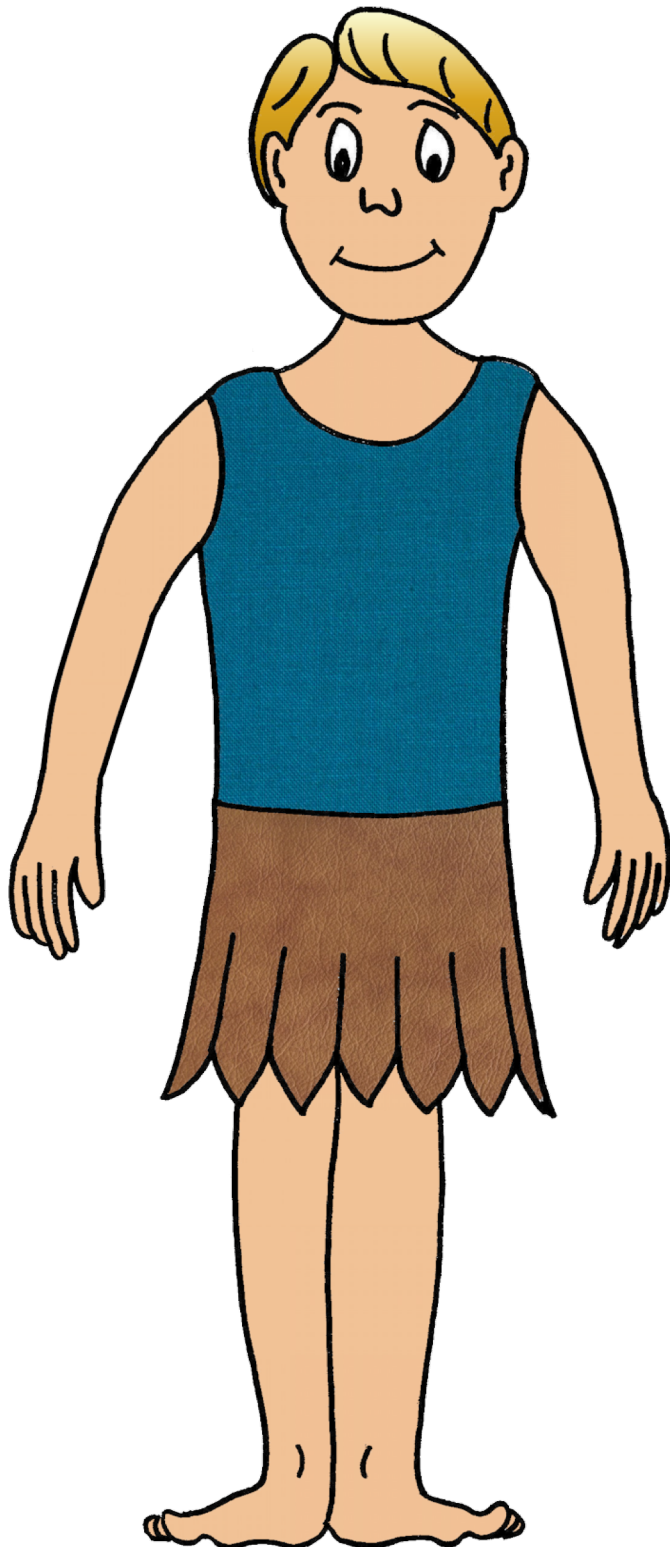

JOY in the JOURNEY
